## LAND ROVER OWNERS NAMIBIA

### WHO ARE WE?

**OBJECTIVES OF THE CLUB:**

- To bring together owners of Land Rover vehicles
- To promote and enjoy Land Rover products
- To create a platform from where Land Rover owners can arrange, connect, and utilise Land Rover vehicles
- To arrange outings, trips, technical forums and whatever else will be of interest to Land Rover owners
- To conserve and protect the natural environment, and undertake where possible, activities which assist other clubs or organisations in their goals or objectives
- Exchange off road experience with other makes of 4x4 vehicles
- Include social responsibilities where they are required as identified by council through members

**FUTURE GOALS:**

- Register of Land Rover vehicles in Namibia
- Second-hand parts lists
- How to Manuals
- Own Club house

### CLUB VEHICLE CATEGORIES BASED ON SUSPENSION
